

# Study Florida

2019-2020

Florida is the #1 State in the U.S. for Education

University of West Florida

Take a look at 25 of the best institutions Florida has to offer

Valencia College

# Why Study Florida?

*Did you know?* **Florida Education is Ranked #1 in the U.S.**

For three years running, *U.S. News & World Report* has ranked Florida as the #1 state for higher education!

Florida schools are among the nation's top performers for quality education.

## Scholarships

Study Florida, in collaboration with Florida Association of International Educators, offers annual scholarships to international students studying in Florida.

2019-20 Undergraduate Scholarship Winner:  
Renata Gomes Martins from Brazil, attending  
University of South Florida

"Here in Florida, we have the chance to  
experience the world beyond our borders."

2019-20 Graduate Scholarship Winner:  
Clarisse Halpern from Brazil, attending Florida  
Gulf Coast University

Clarisse is committed to giving back to  
other international students, mentoring and  
advising them through acculturation in the U.S.

## Diversity

Florida's diverse population welcomes international visitors from all over the world. We will make you feel at home, no matter where you come from.

## Options

Florida offers 150+ undergraduate and 200+ graduate degrees, plus hundreds of certificate programs, amongst 12 public universities, 6 major medical schools, and numerous private colleges and universities ranging in size, structure and setting: small or large, 2- or 4-year, private or public, rural or urban. There is an academic program for everyone in Florida!

## Affordability

Florida has the 6th lowest tuition of all 50 states in the U.S.A.

Florida's extensive network of colleges and universities enables students to easily transfer from 2-year colleges to 4-year universities, which can *save you money!*

## Employability

Florida possesses the nation's 4th largest high-tech workforce and is home to 15 Fortune 500 companies.

Students can pursue internships and career opportunities in a variety of industries, from aerospace and aviation to financial and professional services.

*And it's hard to beat Florida's near perfect climate...*

## About Study Florida

Study Florida is a not-for-profit consortium comprised of accredited, public and private, colleges, universities and secondary schools located in the state of Florida. We connect international students with the excellent educational opportunities in the State of Florida.
