

Study Florida

2020-2021

Florida is the #1 State in the U.S. for Education

Learn why Florida is a global destination for international education

Why Study in Florida?

Did you know? Florida Education is Ranked #1 in the U.S.

For three years running, *U.S. News & World Report* has ranked Florida as the #1 state for higher education!

Florida schools are among the nation's top performers for quality education.

Scholarships

Study Florida, in collaboration with Florida Association of International Educators, offers annual scholarships to international students studying in Florida.

2020-21 Graduate Scholarship Winner: Erik Hoffmann from Australia, attending Saint Leo University

An international traveler, Erik forged his understanding of not only what it means to be a citizen of a country, but as an immigrant coming to a new country.

2020-21 Undergraduate Scholarship Winner: Man-Chen Chen from Taiwan (R.O.C.), attending Santa Fe College

Man-Chen hopes her experiences can inspire future international students in the unlimited possibilities that one could achieve in the course of their U.S. studies.

Diversity

Florida's diverse population welcomes international visitors from all over the world. We will make you feel at home, no matter where you come from.

Options

Florida offers 150+ undergraduate and 200+ graduate degrees, plus hundreds of certificate programs, amongst 12 public universities, 6 major medical schools, and numerous private colleges and universities ranging in size, structure and setting: small or large, 2- or 4-year, private or public, rural or urban. There is an academic program for everyone in Florida!

Affordability

Florida has the 6th lowest tuition of all 50 states in the U.S.A.

Florida's extensive network of colleges and universities enables students to easily transfer from 2-year colleges to 4-year universities, which can *save you money!*

Employability

Florida possesses the nation's 4th largest high-tech workforce and is home to 15 Fortune 500 companies.

Students can pursue internships and career opportunities in a variety of industries, from aerospace and aviation to financial and professional services.

And it's hard to beat Florida's near perfect climate...

About Study Florida

Study Florida is a not-for-profit consortium comprised of accredited, public and private, colleges, universities and secondary schools located in the state of Florida. We connect international students with the excellent educational opportunities in the State of Florida.

NEW DIRECTION ACADEMY

New Direction Academy specializes in 4 different methods of education learning. This allows us to make sure a student's ability to learn is untouched. This is something that public & charter schools can not provide.

.....
New Direction Academy understands that student safety is number one to parents. With our school systems having mass security issues and disruptions of the educational process inside classrooms, New Direction Academy is providing one of the first ever all curriculum online school.

.....
New Direction Academy provides a win win focus for students to graduate. Here students will only have to take the ACT or SAT to graduate after all 24 credits are complete. **FOREIGN CREDITS ARE ACCEPTED!!!**

We provide community service, resume development, assistance on FASFA, college/military recommendations and much more.
